

GEEKS + GURUS

Visual Communication & Design 2003 Spring Lecture Series

Thurs.
Feb 6 7:30 pm □ □

Eric Meyer
*The New Language
of Web Design*

If you're designing websites without CSS Cascading Style Sheets, you're in danger of being left at the station when the train pulls out. Join author and Netscape Standards Evangelist Eric Meyer for a look at where the web is headed.

Thurs.
□ **Mar 6** 7:30 pm

Bernadette Gillotta
Making the Scene

Learn about Cleveland's independent film scene and how you can be a part of it from the Director of the Ohio Independent Film Festival, Bernadette Gillotta. She will be joined by a digital filmmaker to debate the pros and cons of film vs. digital production.

Thurs.
Mar 20 7:30 pm

Richard Tuschman
*Every Pixel
Tells a Story*

Stepping all over the boundaries between digital and organic, painter, designer and illustrator Richard Tuschman creates work that is lyrical, complex, and beautiful. His illustration has been recognized both nationally and abroad.

Thurs.
Apr 3 7:30 pm

Brian Sooy
*Got a Problem?
Get a Typeface!*

With thousands of typefaces around, why make a new one? Brian Sooy does it when there's a design problem to solve and the best answer is just the right typeface. His designs are licensed by Adobe, ITC, and others, so you know he's doing something right.

Thurs.
Apr 17 7:30 pm □ □

Linda Butler
*The Yangtze
River Project*

With four highly praised bodies of work about Italy, the Shaker communities, western USA, and rural Japan, Linda Butler's work is recognized around the world. Join us to learn about her current project, a large scale documentary of China's Yangtze River.
